INORGANIC CHEMICAL MANUFACTURING

Essential chemistry.
Lasting connections.

A family-owned manufacturing business based in Kadapa, Andhra Pradesh. We welcome conversations with manufacturers, procurement teams and business partners in India and overseas.

Imagined factory visual. A simplified manufacturing overview; individual product processes differ.

2014	24 hours	Kadapa
ESTABLISHED	**PLANT OPERATION**	**ANDHRA PRADESH, INDIA**

A-grade materials and direct communication. Speak with our team about product specifications, certification documentation and your business requirements.

01 / OUR PRODUCTS

The materials. The capacity.

Three core products, manufactured in Kadapa. All materials are described as A grade by S.S. Chemicals.

BaS

Barium sulphide

500

METRIC TONNES / MONTH

An inorganic barium compound used as an intermediate in the manufacture of other barium chemicals.

TYPICAL APPLICATIONS

Barium compounds and selected industrial processing applications.

PubChem

$BaCO_3$

Barium carbonate

300

METRIC TONNES / MONTH

An inorganic barium salt used across glass, ceramics and chemical manufacturing.

TYPICAL APPLICATIONS

Glass, ceramic tiles, glazes and other barium chemicals.

Vishnu Chemicals

Na_2S

Sodium sulphide

250

METRIC TONNES / MONTH

An inorganic sodium compound used in industrial processing.

TYPICAL APPLICATIONS

Leather processing, colours and dyes, and pulp and paper.

Solvay

Images show illustrative packaging concepts. Monthly manufacturing capacities and the A-grade description are supplied by S.S. Chemicals. Applications refer to the chemicals generally; confirm suitability and current specifications with our team. General application references are linked above.

PRODUCT SPECIFICATIONS AND COMMERCIAL DETAILS AVAILABLE THROUGH OUR TEAM.

02 / INDUSTRY CONNECTIONS

Let’s build the next connection.

Connect directly with the people behind the manufacturing.

INDUSTRIES WE SEEK TO CONNECT WITH

01 Barium nitrate manufacturers

02 Glass manufacturers

03 Dyeing industries

04 Leather manufacturers

05 Tile and ceramic manufacturers

CURRENT SUPPLY MARKETS

Gujarat, Hyderabad, Kanpur, Kadapa and locations across Andhra Pradesh.

We welcome business enquiries from India and overseas.

OUR CUSTOMER NETWORK

Vishnu Chemicals · Bhargav Chemicals · PVS Chemicals · Silicon Industries, Gujarat
